

# Admission

acceptance to a school

My nephew is excited because he got **admission** to a college.

To get **admission** to this university, you have to do an exam.

# Analysis

thinking about something new

The doctor did an **analysis** of my symptoms.  
She says maybe I have Lyme disease.

The science students are good at **analysis**.

# Applicant

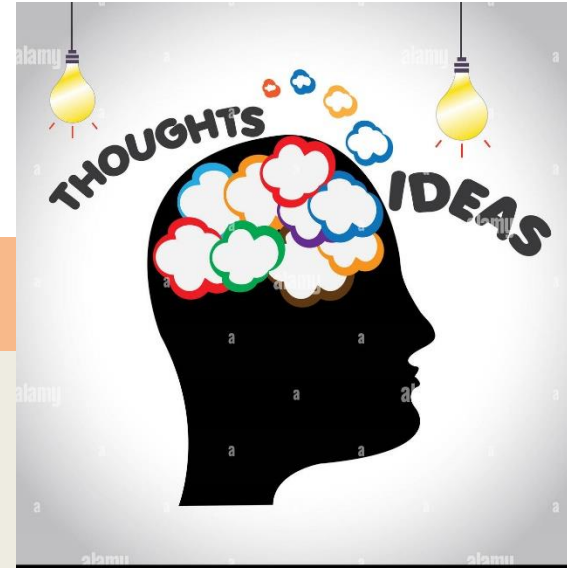

a person who applies

Job **applicants** should call the main office.

It is stressful to be a college **applicant**.

# Creativity

having new ideas

To do this job, you need to have **creativity**.

The chef has **creativity** and cooks new dishes.

# Discipline

managing people

The teacher has no **discipline**. The children don't listen to him.

At my job, we have good **discipline**. We finish on time every day.

# Prepare

get ready

We need to **prepare** for our vacation.

I am studying to **prepare** for a test.

# Pressure

stress because you need to succeed

I finally got a job interview. I feel a lot of **pressure** to do well!

The **pressure** of medical school is high.

# Recommend

to say that something is good

I **recommend** this restaurant. The food is delicious.

Can you **recommend** me for this job?
