

Beginning English Week Four – Talking About Music

Man A: This is a long drive, so let's choose some music to listen to. How about some hip hop? It's got great rhythm.

Woman A: I don't like hip hop. How about some rock? The drums and guitars are awesome. It will give us energy for our trip.

Man B: Hmm, I'm not a fan of rock. It's too noisy. How about some rap? The lyrics are interesting, and it has great rhythm.

Man C: I can't stand rap. Let's listen to some electronic music. We can dance while we drive.

Woman B: I don't like electronic music. It's too repetitive. Let's listen to some classical music. It will help us feel relaxed.

Man A: What about some pop music? It's easy to listen to, and is very catchy.

Woman A: No way, I don't like pop music!

Man A: This is too difficult!
