Greg is looking for a job. One day, he sees a sign that says:
"Help Wanted. Apply Inside."

Greg goes inside. He meets a woman working in the office.
"Good morning, sir," the woman says.
"Good morning!" says Greg.

"Can I help you?" the woman asks Greg.

"There's a 'Help Wanted' sign in the window," Greg says.
"Yes, there is," says the woman.

"Well, I'm looking for a job," says Greg.
"Ok," the woman says, "We need an office clerk."
"I see," says Greg.

The woman has some questions for *Greg*. She asks him, "Can you use a computer?"

"Yes, I can," says *Greg*.

"That's good," the woman says, "Can you use a copier?"

"Yes, I can use a copier," *Greg* says.

"Can you type reports?" the woman asks.

"Yes, I can type reports," Greg says.

"How about money?" the woman asks, "Can you count money?"

"Yes, I can count money," Greg says. "I like money!"

"Ok, Mr. Noor," the woman says, "Please fill in this form, and I will call you tomorrow."

"Thank you very much," *Greg* says.
